

# Fire Up a Pet Bowl for Sewickley!

## Pet Bowl Painting and Auction

All merchants and professional businesses of Sewickley are invited to come out and paint a pet bowl. We will then auction these works of art during this Spring's 'Sewickley Unleashed', April 24th. All of the donations from the auction will be benefiting Animal Friends. The pet bowls come in two sizes. The large bowl is approx. 10" wide and 4" deep with a cost of \$25, and the small bowl is approx. 6" wide and 3" deep with a cost of \$15. We ask that you prepay for your bowl. (ambitious? You can paint more than one!)

Clay Cafe has offered to host our chamber painting party on Tuesday, February 2nd . It will be an open house from 5:30 to 8:30. Come for the fun, wine and cheese plus appetizers from "Tastefully Simple" will be served while we paint our bowls. Don't worry, if you can't make that date. Elaine, from the Clay Cafe has offered to waive all painting fees, and you can paint your bowl during their regular hours or take it home and create a one of a kind piece of art.

I will be stopping by in the next few weeks to take your orders, or you can drop off your check and pet bowl size to me at Fun Buy the Pound Toy Store. We are hoping to have all orders placed before the end of the year. Call me with any questions at 412 741-9097. We can make a big difference and have fun at the same time. Let's get painting!

Thank you,
